

## **INFORMATION ABOUT ONLINE TEACHING DURING ODD SEMESTER 2020-21**

Dear Students,

Hope you are doing fine, and your family and friends are safe and well.

We intend to start classes from Monday, July 27, 2020 by means of recorded lectures and interactive Q&A sessions (FLIPPED CLASS MODE).

Course instructors will upload the recorded lectures in Moodle by using BigBlueButton (BBB), and students can watch these videos as per their convenient timings.

Additionally, the course instructor will be available for live interaction and discussion with students as per the timetable that is being prepared by the Institute. Microsoft Teams will be used as a platform for live sessions. Every student can login to Microsoft Teams via their '[nitk.edu.in](mailto:nitk.edu.in)' email address.

The students are requested to watch the recorded lectures on Moodle, and then participate in live interaction with the course instructor to clarify doubts.

The course evaluation plan will be uploaded by the Course Instructor.

In case of queries, the students are requested to approach their respective Faculty Advisor in the department.

Best wishes,

Dean(Academic)
